

A message from Mrs Taylor

It has been another busy week across the Federation! As part of our commitment to providing the very best opportunities and care for our children, we recently reviewed our holiday club provision and have appointed **CM Sports** as our new provider.

Families can be reassured that the **location, session times and pricing will remain unchanged**. We are always looking at how we can enhance our offer, and we are excited to be working with CM Sports to provide high-quality holiday club experiences for our children and families. Please see further information later in the newsletter.

I hope you have a lovely weekend.

Key Dates for the next two weeks

Mon 5 th	Individual/Sibling Photos. If Monday is your PE day, please wear school uniform to school, and bring either trainers or full PE kit to change into after the photos.
Tues 6 th	- Year 6 Residential Trip - Year 3 Trip 4 Oak Swimming

Work with Us

We currently have the following Vacancies – please follow the link for more information which is available on our website: [Work with Us](#)

[Admin Assistant](#)

[Learning Support Assistant KS2](#)

[Lunchtime Supervisor](#)

Important Information

Bikes & Scooters in School

For the safety of our children and families using the school grounds during drop off/pick up – please can we remind everyone that **bikes and scooters** are **not to be ridden in the school grounds**.

Parking Around School

We would like to highlight an ongoing concern regarding parking in the roads surrounding the school.

We would remind parents to please be considerate of local residents, pedestrians and other road users by driving and parking safely. Cars should not be parked on the double yellow lines or on the pavement – this is to ensure that cars, prams and pedestrians can safely manoeuvre on the roads and footpaths.

We thank you for your understanding and support.

Christmas Design Project 2026

This year, LISFA and FOLJS are joining together as a Federation to take part in the Cauliflower Cards Christmas Design Project. This initiative encourages pupils' creativity while helping to raise funds for our schools.

Children can create their own festive design, which can be professionally printed onto Christmas cards, gift labels, wrapping paper, mugs and more.

Order forms, including a unique online ordering code, have been sent home. Please follow the instructions on the form to place orders online. Additional forms are available from either school office if required.

All completed artwork for orders placed **must be returned to school by Friday 16th October 2026**.

Please note: Each order form contains a unique code and must not be photocopied.

Liphook Federation | - Weekly Makaton Sign

W.C 28th September 2026

Sign of the Week

walk

Is my child too ill for school?

Does your child have a high temperature (38°C or more)?

YES

Keep them off school until it goes away.

NO

Follow the guidance below.

Should go in

A cough, cold or sore throat

Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.

Threadworms

Speak to your pharmacist, who can recommend a treatment.

Should go in (let the school know)

Cold sores

Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

Head lice & nits

You can treat head lice and nits without seeing a GP.

Hand, foot & mouth disease

If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.

Slapped cheek syndrome

Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.

Seek treatment before returning to school

Impetigo

They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.

Ringworm

See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.

Scarlet fever

They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.

Chickenpox

Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.

Keep them off (at first)

Ear infection

If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Measles

They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.

Vomiting & diarrhoea

Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).

Celebrating our Successes

Butser Hill Challenge

A big well done to our Year 6 pupil who took part in the Butser Hill Challenge race last weekend and came 2nd in his age category!

Triathlon Success

On Saturday 26th September I completed the Hever Castle Triathlon. If anyone doesn't know what that is, it is a swim, bike then run. My distances were 200m swim, 4.2km cycle and a 1.3km run.

I came 1st in my wave (group/section), 2nd female out of 41 and 8th out of 82 people overall. I am proud of myself, I had fun and I would recommend it to people who are sporty.

OCTOBER ACTIVITY CLUB

Liphook Junior School
Avenue Cl, GU30 7QE

26TH OCTOBER - 30TH OCTOBER

Our holiday courses give children from Year R to Year 9 the ideal blend of play and structure. With safety and enjoyment always in mind, every day is designed to keep children active and engaged.
